

SWITCH YOUR STATUS TO UNITED

# Business travel is even more rewarding with our #1 loyalty program

And it's easier than ever to earn. We offer a Premier Status Match for employees of our corporate customers. We'll match your frequent flyer status from another airline to the equivalent United MileagePlus® Premier status.

## HOW IT WORKS

1. If you meet the criteria, you will receive a 120 day trial based on your status level with your current frequent flyer program.
2. To keep your new status, earn a designated number of qualifying miles and segments during your trial.
